ABOUT THE COLLEGE:

Tamilnadu College of Engineering was sponsored by Tamilnadu Technical Education Foundation (Regd.) Established in the year 1984, and is the first self - financing College in Tamil Nadu. The Institution was founded by eminent philanthropists Dr.P.V.Ravi, and Lion.T.N.Palanisame, who are pioneering educators having unmatched rich experience in the field of education with belief that the continuous perusal of knowledge is the sole path to success. The College is recognized by the Government of Tamilnadu, approved by All India Council for Technical Education, New Delhi and affiliated to Anna University, Chennai.

ABOUT THE DEPARTMENT:

The ECE Department of Tamilnadu College of Engineering has consistently served as a genesis of Engineers of excellent calibre in the field of Electronics and Communication engineering for about 36 Years. As being one of the oldest Self financing institutions in this region, students of ECE branch has become entrepreneurs and corporate heads - the vivid reason being the splendid knowledge that the students are imparted with all facilities.

ABOUT THE CONFERENCE:

In order to enhance the technical knowledge about various engineering trends in ECE, this conference will be a main platform as it gains confidence in the topic and allow the researchers to become masters in the topic. By conducting this conference we hope to make a big contribution to technological development of the country. This explores the technological advances in the fields of Emerging Trends in Computer Communication and Informatics and to provide a common platform for researchers, academicians and future engineers to present and discuss their innovative ideas. It also serves to foster communication among researchers and budding engineers in a wide variety of conceptual knowledge.
